

## 2019 City of Savannah LDBEs Certified Portal Listing

The list of Local Disadvantaged Business Enterprises (LDBEs) is current as of JULY 2019. Inclusion in this list does not guarantee that a company is in good standing. Therefore, please note that all companies must be verified as current, at the time of bid submission, by the City of Savannah's Office of Business Opportunity to be counted towards established LDBE goals. All commodity codes listed are self-reported by the certified firms. All firms are encouraged to contact LDBEs directly to learn more about their goods/services.
