

SMART CARDS

Smart cards are prepaid parking cards that can be used at pay-and-display meters in addition to coins, currency, and credit cards. Smart cards are available in denominations of \$25, \$50, \$75, and \$100 and can be purchased at Mobility & Parking Services in the Bryan Street Garage at Bryan and Abercorn Streets. Pay and display meters are located in the general area bounded by River Street, Oglethorpe Avenue, Martin Luther King Jr. Boulevard, and East Broad Street.

DISABILITY PARKING

The City provides disability parking spaces for the exclusive use of vehicles displaying the appropriate permit. The spaces are dispersed in all areas of the city and include free spaces as well as metered spaces. The spaces are located on-street throughout the City, in City owned garages, and in the River Street lots. Disability permit spaces in the Historic District all require payment for parking.

METERED SPACES

The City provides 3,000 metered spaces in Savannah's Historic District with time limits ranging from 30 minutes to 10 hours. The cost per hour for parking on the meters range from \$.30 per hour to \$1.00 per hour depending on the location of the meter. Parking meter rates in the three River Street parking lots are \$1.00 per hour.

Parking meters and time limit zone regulations are enforced Monday through Friday from 8AM until 5PM. Safety regulations, fire hydrants, fire lanes, yellow lines, etc., are enforced 24 hours a day, seven days a week by Mobility & Parking Services and the Metro Police Department.

COMMERCIAL VEHICLE DECAL

A commercial vehicle parking permit (decal) can be purchased to park business vehicles in marked freight zones, lanes, or alleys, or at officially bagged parking meters for the purpose of loading or unloading merchandise or providing maintenance, repair, or construction services. The fee is \$150.00 annually.

FIRE HYDRANTS

Blocking a fire hydrant could prevent fire equipment from reaching its destination and could cause serious property damage and loss of life. Never park within 15 feet of a fire hydrant.

PASSENGER LOADING ZONES

Passenger loading zones accommodate the receiving and discharging of passengers at downtown establishments. Parking is limited to the expedient loading and unloading of passengers.

SIDEWALKS

Sidewalks provide pedestrians a safe place to walk. Parking any portion of your vehicle on a sidewalk is prohibited.

DRIVEWAYS

Please keep driveways open by not blocking or parking in front of them. A sign is not needed to enforce this regulation. Vehicles may need the full width of the driveway to get to and from the street.

STREET CLEANING

Be on the lookout for street sweeping signs when parking in the city. Certain hours are set aside to allow easy passage for street cleaning vehicles.

YELLOW LINES

To prevent serious traffic congestion or to allow for turning of larger vehicles, please do not park at yellow lines.

TRAFFIC SIGNALS, CORNERS, AND CROSSWALKS

For safety reasons, traffic signals, crosswalks, and intersections must be visible to motorists and pedestrians. Blocking visibility at a corner can result in a serious accident.

Tourists may purchase, for \$12.00, a two-day parking pass or, for \$7.00, a single day parking pass from the Savannah Visitors Center, the Mobility & Parking Services Department, and various hotels and inns. WHAT TO DO...

IF YOU GET A TICKET

The City provides five business days for you to pay your fine. After five business days, a \$12.00 penalty is added to the fine. A parking ticket not paid within 30 calendar days after the date of issue receives an additional \$17.00 penalty. Failure to pay tickets can subject you to a court summons and/or immobilization of your vehicle. Tickets can be paid by check, Visa, MC or on-line.

TO CONTEST A TICKET AND FINE

Take the ticket within five business days of the ticket date to Mobility & Parking Services in the Bryan Street Parking Garage at 100 E. Bryan Street, or call Mobility & Parking Services at (912) 651-6470.

IF YOUR VEHICLE IS BOOTED

The boot is used to encourage compliance with parking regulations and payment of tickets and fees. Once the boot is placed, it will not be removed until you've paid your delinquent tickets, late penalties and the boot removal fee. Payment must be made for the release of a vehicle within 24 hours of the date and time of immobilization. If payment has not been made, the vehicle will be towed and impounded at the owner's expense.

IF YOUR VEHICLE IS TOWED

Vehicles parked on properly marked private property may be towed at the request of the property owner. Vehicles parked in a tow away zone will be towed because they interfere with pedestrians, cause safety hazards, and/or obstruct the flow of traffic. If your vehicle is towed from private property, call the telephone number of the company listed on the sign in the lot, Mobility and Parking Services, or the Savannah Chatham Metropolitan Police Department at (912) 651-6676. Some violations for which your car may be towed include but are not limited to the following: parking on private property, failure to pay tickets once a vehicle has been immobilized, and parking in driveways or fire lanes.
