PROGRAM HIGHLIGHTS

Who Qualifies?

Households with a combined gross income of 80% or less of the area median income for this area as established by HUD may qualify for participation. See the chart above. Acceptable credit and work histories will be required.

How much can I get?

Dream Maker funds can provide from \$1,000 to \$50,000 for down payment, closing costs and gap financing to qualified participants. Participants will be required to borrow as much as possible from their first mortgage lender before being approved for Dream Maker funds.

Can I rent out the house?

No. You must own and occupy the house unless it has an apartment in addition to your unit.

Do I have to pay it back?

Depending upon the Dream Maker program you participate in, a portion of Dream Maker funds may be forgiven if you own and occupy the house for 15 years.

Do I need any cash money?

Yes. You generally need to invest between \$500 and \$1,000 depending upon program and lender requirements.

What else do I need to do?

Buyers must take a home ownership course to make sure they understand the home buying process as well as the financial responsibility of home ownership.

How do I apply?

Contact either the City of Savannah's Department of Housing (DOH) or Community Housing Services Agency, Inc. (CHSA) to schedule an appointment to determine if you meet basic eligibility requirements. Dream Maker applications will be reviewed by DOH. The DOH will make the final determination regarding your qualifications for participation in the Dream Maker program and the maximum level of funding it is willing to authorize through the Dream Maker program. If you are currently working with a lender or realtor please ask them to contact either DOH or CHSA for additional instructions.

Note: The house must be the City of Savannah's Adopted Housing Codes prior to purchase. A DOH Construction Specialist must inspect the house and confirm that it meets these minimum standards.
