When a stand becomes vacant and available for leasing, any tour business which leases a stand shall be eligible to advance to the vacant space in the order of company seniority. Any motor tour business which holds a city business tax certificate shall be eligible to lease any vacant space, or to displace any company from a second space pursuant to subparagraph [subsection] (12) above, in order of company seniority.

The lessee shall give evidence of the required coverage by providing to the tourism director a copy of certificate of insurance from an insurance company licensed to do business in the State of Georgia.

(20) Any lease may be canceled by either party upon the lessee providing 30 days' written notice and the lessor providing 30 days' written notice of cancellation to the other party.

(21) Any lease executed pursuant to this article shall expire two years from the date of execution; provided, however, that the parties to the lease may at the time of expiration enter into an agreement for an additional term.
