**Cultural Arts Gallery  
EXHIBITION PROPOSAL APPLICATION  
Application Deadline September 9, 2016**

*Cultural Arts Gallery is managed by the City of Savannah's Department of Cultural Affairs. This facility exists as a venue for the promotion and education of the visual arts, via the display of contemporary art, design and fine crafts by local and regional artists. Cultural Arts Gallery serves and responds to the Savannah community with exhibitions and educational programming that strengthen awareness and stimulate dialogue through artistic expression. Proposals are accepted from individuals and groups for non-degree seeking exhibitions.*

*Cultural Arts Gallery presents lectures, gallery tours, workshops and other educational programs related to our exhibits whenever possible. We require our exhibiting artists to work with us in offering these valuable learning opportunities for the public. Cultural Affairs' staff, together with each exhibiting artist, will cooperatively agree upon final works chosen for exhibition. The images submitted with the proposals must be of work to be considered for exhibition only. Artists selected to participate will agree to show works chosen by the Department of Cultural Affairs, and will plan exhibitions in accordance with the Department's mission.*
