Take the Savannah Civic Center Site Survey

The City is moving forward with a new Savannah Arena; what does that mean for the future of the current Civic Center?

Take a quick survey and let us know what you think!

The information compiled from the responses will offer a better understanding of our community's perspective of the Civic Center site and assist in creating the best redevelopment strategy for this area.

Constructed in 1972, the Civic Center site includes a 2,500 seat capacity auditorium/theater, 9,700 seat arena, multipurpose rooms and a 275-space parking lot.
