Formal rules of evidence shall not apply to hearings under this section, although the hearing officer shall have the right to exclude evidence which carries no indicia of reliability. All testimony shall be offered under oath or affirmation.

Progressive sanctions, depending on the severity of the violation, are encouraged but not required. Where the remaining term of the license is less than twelve (12) months, imposition of suspension or probation for a period in excess of the term of the existing license shall be applied to any renewal license. A subsequent violation within a probationary period shall be cause for revocation and/or denial of license renewal. A total of three (3) separate and unrelated violations within twenty-four (24) months, whether or not within a probationary period, shall be grounds for permanent revocation.

(7) The judge's decision shall be personally served or mailed by certified mail, return receipt requested to the licensee and his attorney, with a copy to the City Attorney, within ten (10) business days of the close of the hearing. The decision of the hearing officer shall constitute final action by the City, subject to review upon petition for certiorari to the Superior Court of Chatham County.

(8) Upon receipt of notice of adverse action against the licensee under this section, the licensee may waive its right to a hearing and stipulate to a sanction, as recommended by the City Manager, in consultation with the chief of police.
