

At-Home Craft: Tape Resist Painting

Supplies Needed Flat canvas Masking tape
Paint and brushes Cup of water

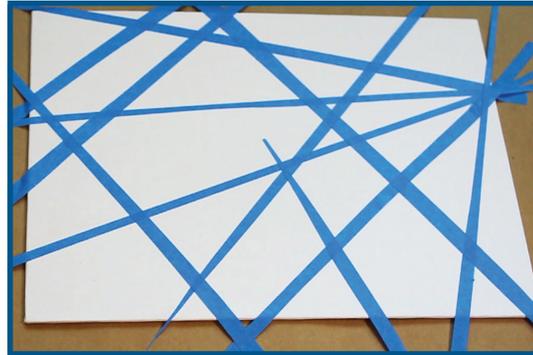

*If you don't have a canvas, paper or cardboard can also work. Test your tape on the surface before you begin.
Instead of painting with a brush, try markers, crayons, or finger paint.*

1

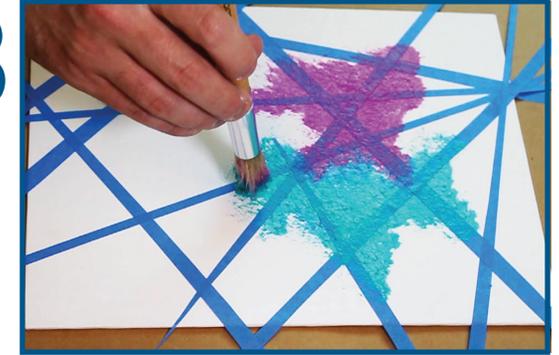

Set up on a disposable or cleanable surface

2

Use painter's tape to make a design on your canvas. Press tape firmly onto surface.

3

Cover design with paint

4

Wait a few minutes for the paint to begin to dry.

5

Slowly peel back tape, starting with the last laid piece first

6

Allow your finished design to continue drying!
