We hope this newsletter finds you and your family in good health. As we continue to charter through the unknown, our community will get through these challenging times.

We were so excited to see our youth and adults participants back for the fall quarter! We truly missed their presence and bright smiles!

Some of the activities our youth participants enjoyed this quarter were playing basketball, bocce, kickball, riding the Ferry on river street, and enjoying some cookies from Byrd's Cookie Company. They also got to experience 4 weeks of the Savannah Cultural Arts

Center, where they experienced Musical Movement and Ceramic classes.

Some of the activities our adults enjoyed were basketball conditioning & skills, kickball, bocce, and Chair/Mat yoga. The Jepson Museum also came and the participants enjoyed making their art project called, "Making Marks".

This art project will be on display for everyone to view beginning December 5. We hope you can get out to see it!

We can't wait to see you in January. The Therapeutics staff would like to wish you and your families a Safe and Wonderful Holiday Season!
