AUTUMN'S CORN

Re: "313" E. Gordon St.

Dear Mr. Williamson:

The above mentioned parcel of property is co-owned by the
estate, his brothers and sisters. We are interested in selling
the property which I believe is about 104 years old. We are
only desiring of selling it to someone for restoration
purposes, not for demolition, nor to anyone who does not intend
to preserve it for its historical value and purpose.

Honestly, I am a little or perhaps I should say, terribly
confused as to how such property is appraised, who specializes
in the sale of such property or whether or not your organization
is in the market for such property. Therefore, any help or
matter which you might be able to furnish us should be
appreciated.

Yours very truly,
J. L. Roberts
