CITY OF SAVANNAH STORMWATER MANAGEMENT AGREEMENT

	Applicant Initials
Applicant agrees to maintain copies of material safety data sheets for any chemical used in the course of their business and will keep a copy of data sheets at the point of use (i.e. kept on the truck, storage area, and/or in the office).	
Applicant agrees to properly manage, use, and dispose of any and all chemicals and/or waste generated by their business operations.	
If applicable, applicant agrees to secure all chemicals, fuel, and fuel-containing equipment during transport to prevent their spillage into the City of Savannah stormwater system.	
Applicant understands that to dispose of wash water with cleaning agents, soaps, detergents, paints, oils, lawn debris, pet waste, or biocides to curb drains, grate drains, ditches, or canals is prohibited.	
Applicant understands that if wash water contains cleaning agents, soaps, detergents, paints, oils, lawn debris, pet waste, or biocides, the applicant will be required to contain and vacuum all wash water to prevent its discharge to curb drains, storm drains, ditches or canals.	
Applicant has read the City of Savannah Stormwater Management Ordinance code cited on the next page.	

Applicant Signature: _____ Date: _____

From the Code of the City of Savannah, Georgia (2003)

CHAPTER 11. STORMWATER MANAGEMENT

Sec. 4-11005. Restrictions and limitations on the use of the city stormwater system.

- (a) No person shall discharge, spill, or dump substances or materials which are not entirely composed of stormwater or discharges otherwise exempted in section 4-11038 of this chapter into the city's separate stormwater system.
- (b) It shall be unlawful for any person to maliciously, willfully, or negligently break, damage, destroy, uncover, deface, modify, or tamper with any stormwater structure, appurtenance, or equipment.
- (c) It shall be unlawful, without prior written approval of the director, to alter in any way any part of the stormwater system including, but not limited to, rerouting, removing, deepening, widening, enlarging, filling or obstructing any part of the stormwater system including fencing easements and rights-of-way which render the system inaccessible to equipment necessary to perform maintenance and repairs.
- (d) It shall be unlawful for any person to connect any pipe, open channel, or any other conveyance system that discharges anything except stormwater or exempted discharges listed in section 4-11038 of this chapter to the city separate stormwater system. Illicit connections will be disconnected and redirected to the city sanitary sewer system upon approval of the Public Works Director, at the expense of the responsible person(s).
- (e) It shall be unlawful to increase stormwater quantity discharged to the city's separate stormwater system without an accepted stormwater management plan.
