

3104-008-GSM-gau (USMARC)  
City of Savannah Municipal Archives, Savannah, Georgia [GSG (OCLC/LYRASIS)]

**Record Series #: 3104-008**

**Name: Community Planning and Development Department photograph collection**

**Dates: circa 1980-2004**

**Extent/Size: 8 records cartons, 1 slide box (8.25 cubic feet)**

**Language: English**

***Name of Creator(s):***

City of Savannah Community Planning and Development Department (reorganized as Human Services Department, December 2017)

***Organizational History:***

The Human Services Department (formerly Community Planning and Development Department) is responsible for the management, operation, and coordination of social and supportive services for youth, adults and families. The Department oversees collaborations and partnerships with the faith-based community and not-for-profit organizations providing community-directed services to families and individuals to assist them in reaching self-sufficiency. The department also administers federally funded community development and workforce programs and manages the operation of resource centers.

***For more information see:***

<https://www.savannahga.gov/481/Human-Services> (Last accessed August 7, 2019)

***Scope & Content:***

The Community Planning and Development Department photograph collection contains photographs, slides, and negatives of Savannah neighborhoods, parks, squares, homes, neighborhood rehabilitation projects, Community Development Block Grant (CDBG) projects, Showcase Savannah homes, and community events. The collection displays a particular emphasis on the Cuyler-Brownville and West Savannah neighborhoods.

***System of Arrangement & Ordering:***

The Community Planning and Development Department photograph collection is arranged in alphabetical order by subject, with one box of addenda materials added October 2019. See attached inventory.

***Conditions Governing Access:***

None

***Conditions Governing Reproduction and Use:***

Please read the following statement on copyright carefully. ***Permission to reproduce does not constitute permission to publish.*** Researchers who plan publication are asked to discuss this with the archivist first for written permission. While most of the Municipal Archives' collections are public records and in the public domain, not all are, and the Municipal Archives may not be the owner of copyright for all its archival materials. Researchers are responsible for obtaining any necessary permission to publish

**Record Series 3104-008 Community Planning and Development Department Photograph Collection**

from the holder of copyright. In the event that the Municipal Archives becomes a source for publication, a copy of the publication is requested for the Municipal Archives.

**NOTICE: WARNING CONCERNING COPYRIGHT RESTRICTIONS**

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material.

Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement.

This institution reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve a violation of copyright law.
