Conditions Governing Reproduction and Use:

Please read the following statement on copyright carefully. ***Permission to reproduce does not constitute permission to publish.*** Researchers who plan publication are asked to discuss this with the archivist first for written permission. While most of the Municipal Archives’ collections are public records and in the public domain, not all are, and the Municipal Archives may not be the owner of copyright for all its archival materials. Researchers are responsible for obtaining any necessary permission to publish from the holder of copyright. In the event that the Municipal Archives becomes a source for publication, a copy of the publication is requested for the Municipal Archives.

4101 Savannah Police Department – Police Chief’s Office Legal Records

NOTICE: WARNING CONCERNING COPYRIGHT RESTRICTIONS

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material.

Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be “used for any purpose other than private study, scholarship, or research.” If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of “fair use,” that user may be liable for copyright infringement.

This institution reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve a violation of copyright law.
