**Additional accruals are expected as processing of this series continues. The overall dates and extent will be updated accordingly. Inquire with the Municipal Archives for the most up-to-date inventory.*

Scope & Content:

Record Series 1121-027, Savannah Area Local Government Documents collection is comprised of reports, studies, annual budgets, and other similar documents that pertain to the City of Savannah and Chatham County. These documents are produced by local, state, and federal agencies, and are donated or transferred to the Municipal Archives on an on-going basis. The majority of the documents were produced by City of Savannah departments. Other significant agencies represented in the collection include the Chatham County-Savannah Metropolitan Planning Commission (MPC), the Savannah Development and Renewal Authority (SDRA), the Housing Authority of Savannah (HAS), and the Chatham Area Transit Authority (CAT). Documents include quarterly and annual reports, standard operating procedure handbooks, capital improvement project reports, annual audits, neighborhood redevelopment plans, and significant studies completed by or on behalf of the responsible agency. The collection includes a complete run of the City of Savannah Annual Budget from 1958-present, most annual editions of the City's *Ordinance to Assess and Levy Taxes and Raise Revenue* from 1930-present, and most C*omprehensive Annual Financial Reports* from 1954-present.

System of Arrangement & Ordering:

Record Series 1121-027, Savanah Area Local Government Documents collection is arranged by classification number, chronologically. Classification numbers are derived from the name of the contributing agency and the date the document was produced. Documents may be held as hard-copy records, digital records, or both. Hard-copy documents are stored in the Municipal Archives' archival storage. Digital versions of documents are stored in the Municipal Archives' internal Electronic-Archives.

Administrative Note:

Duplicate copies of documents are separated and transferred to the City Records Center under series 1121-020, Savannah Area Local Government Documents (Duplicates).

Conditions Governing Access:

None

Conditions Governing Reproduction and Use:
Please read carefully the statement on copyright below. Permission to reproduce does not constitute permission to publish. Researchers who plan publication are asked to discuss this with the archivist first for written permission. While most of the Municipal Archives' collections are public records and in the public domain, not all are, and the Municipal Archives may not be the owner of copyright for all its archival materials. Researchers are responsible for obtaining any necessary permission to publish from the holder of copyright. In the event that the Municipal Archives becomes a source for publication, a copy of the publication is requested for the Municipal Archives.

NOTICE: WARNING CONCERNING COPYRIGHT RESTRICTIONS

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material.

Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement.

This institution reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve a violation of copyright law.

Accruals:
Additional accruals are expected. The finding aid and inventory will be updated as accruals are processed into the collection.

Digital Access:
Inquire with Municipal Archives staff about the existence of digital versions of Savannah Area Local Government Documents.
