Savannah was founded in 1733 by James Oglethorpe. It is the only city in the United States (until recent date) except Washington which was planned before building. The squares (parks) were designed as places of refuge for out-of-town settlers in case of Indian or Spanish attack.

SAVANNAH.

Savannah is rich in historical lore, is a city of 92,000 people and is known for its beautiful buildings, semi-tropical verdure, 24 municipal parks and 100 mile boulevard chain, nine suburban resorts, golf and outdoor sports, modern hotels and varied amusements. The climate is ideal, the city is both winter and summer resort and the Atlantic Ocean contributes surf bathing unexcelled in the South, it is indeed, "Savannah, the Southern Key to Land and Sea."
