How to locate a retail pharmacy and look up an estimated cost of your medication:

VytlOne's participating pharmacy network includes more than 60,000 retail pharmacies, including regional and national chains, as well as independently owned pharmacies. To locate a pharmacy near you and determine coverage on your medication, log on to www.CityofSavannahHealthPlan.com beginning on your effective date to access VytlOne's Price Drug & Find a Pharmacy Tool. You may also contact Quantum Health at 1-866-360-7926 and speak with a care coordinator for assistance.
