On the St. Simons and Sea Island Causeway at Brunswick, Georgia. 300 ft. off U. S. 17. Since the days of wealthy rice and Sea Island Cotton planters, Southern hospitality has been associated with the Coast of Georgia. Bountiful tables and gracious entertaining characterizes the life of the coast. Special seafood dishes and tasty concoctions have always been a part of everyday life. This MODERN TROPICAL SEA-FOOD Restaurant is designed to preserve and give you the pleasures of these fine foods. Recommended by Duncan Hines, Gourmets and AAA.
