RECORD GROUP SCOPE NOTE:

This group contains papers from the Committee of the Whole of the City Council. These papers include petitions made before the Council between 1901 and 1932 and referred to the Committee of the Whole for handling. • This committee handled a wide range of requests.: Many times petitions were sent to this committee for a final decision after they had already been submitted to another committee. Each petition contains the request, any supporting documentation such as maps or drawings, and the report and decision made by the Committee. In many cases the petitions were held as documentation for later study. • General subjects include zoning decisions, updating code, amendments to rules, repealing ordinance, protests against businesses, construction, fees, refunding charges levied in Police Court, requests to build housing, parks, or open businesses, and requests-for parades from groups like the Ku Klux Klan and the Savannah Water Carnival. Petitioners represented various ethnic, political, religious and racial constituencies of Savannah's community.
