

Underground Utility Permit Application

Instructions: All information must be completed to process this application to verify compliance with OCGA 43-14. If information is not provided the application will be returned. Failure to complete and submit this application along with the additional required documents may cause a delay in construction or fines and the issuance of a stop work order if work is begun prior to approval. Copies of the current State license for the Utility Contractor, current State certification of the Utility Manager or Utility Foreman and the current business tax certificate for the Utility Contractor shall be submitted along with this completed application and returned to the site inspector.

***** NOTICE *****

The issuance of this permit authorizes improvements of the real property designated herein which improvements may subject such property to mechanic's and materialmen's liens pursuant to part 3 of article 8 of chapter 14 of title 44 of the Official Code of Georgia Annotated. In order to protect any interest in such property and to avoid encumbrances thereon, the owner or any person with an interest in such property should consider contacting an attorney or purchasing a consumer's guide to the lien laws that may be available at building supply home centers.

DIG SAFELY!!! CALL 1-800-282-7411, 72 HOURS (EXCLUDING WEEKENDS AND HOLIDAYS) BEFORE YOU DIG OR WORK WITHIN 10' OF A HIGH VOLTAGE LINE. IT'S THE LAW!! THIS ALLOWS UNDERGROUND UTILITIES TO BE MARKED. (Internet)
