Attention: Mr. Curtis Cooper, President

Dear Mr. Cooper:

The NAACP in Savannah, Georgia and the Southeast Region particularly have been uniquely benefitted by the contributions of Westley W. Law through the years.

Not many know that his devotion and commitment while active in the Youth Division of the Association resulted in his being the first person elected by the NAACP youth to represent them on the National Board of Directors.

That same devotion and commitment have served as a source of inspiration to other young people and a very real stimulus to all those touched by him to give as he has given for the freedom of his people, the betterment of his community and a more American life for all of us.

We are glad we know W. W. Law.

Sincerely yours,

Ruby Hurley
Regional Director
